**[Your Story]** - Parents or grandparents immigrated from Japan - Family graves in Japan you've never visited - Wondering if you still "belong" to that heritage - Want your children to understand where they came from

**[Why This Resonates]** Our Soul Carrier service helps Japanese-Americans return ashes to ancestral graves — but it's more than logistics. It's about answering the question: "Do I still belong?"

**[What You Receive]** - Updates on Soul Carrier missions - Invitation to virtual storytelling sessions - Your name in our "Bridges Across the Pacific" honor roll (optional)

### Sustainability-Conscious Individuals

**[Your Story]** - Tired of "green" marketing that's just words - Want to support people actually living sustainably - Believe in action over advocacy - Looking for authentic, measurable impact

**[Why This Resonates]** We don't just talk about sustainability. We live off-grid with a 5-year-old. Every system we build, we test on ourselves first — then share what works with communities who need it.

**[What You Receive]** - Quarterly impact reports with real numbers - Behind-the-scenes content of our off-grid life - Technical documentation you can use for your own projects

---

### Those Who Care About Maui's Recovery

**[Your Story]** - Watched the 2023 fires with heartbreak - Donated to relief funds but wonder where it went - Want to support long-term rebuilding, not just emergency response - Looking for direct, personal connection to recovery efforts

**[Why This Resonates]** We weren't there. But we've invested 3 years and all our personal funds — including all credit lines — into R&D, and continue hands-on support on-site. Not distant donations, but real work and knowledge sharing.

**[What You Receive]** - Direct updates from Maui (not filtered through organizations) - Photos and stories from the families you've helped - Invitation to visit and see the impact firsthand

## Transportation Support

Need	Why It Matters
<b>Used car / EV</b>	No car ownership — a vehicle for on-site work would be a huge help
<b>Flights (Japan ⇄ Hawaii)</b>	We split our year between two countries — airfare for 3 is significant
<b>Inter-island flights</b>	Reaching communities across Hawaii (Maui, Big Island, Oahu)
<b>Rental vehicles</b>	On-site work relies on rentals when we don't have a car
<b>Airline miles/points</b>	Any carrier, any alliance — we can use them

A single round-trip flight can cost \$3,000-5,000 for our family of 3. Miles donations directly enable our work.

## Accommodation & Hospitality

What We Need	Why
<b>Family-friendly housing</b>	We move as a unit (3 people, non-negotiable) Kitchen, laundry, space for Ito to play
<b>Access to facilities</b>	
<b>On-site presence</b>	We work better when embedded in communities

This is our primary model — the Guest Hospitality Agreement. Your hospitality becomes our platform for contribution.

## Network & Introductions

Connection	Value
<b>Hotels &amp; resorts</b>	Potential hospitality partnerships
<b>Japanese-American organizations</b>	Soul Carrier referrals
<b>Media contacts</b>	Story amplification
<b>Sustainability networks</b>	Knowledge exchange

## Spread the Word
